Interested in being in the Santa Car Cruise? We welcome Crestwood businesses, churches, neighborhood associations, and local car clubs to participate.

Our car cruise Starts at Crestwood City Hall and finishes at the Crestwood Community Center in Whitecliff Park. It includes a myriad of vehicles that will bring smiles and Santa to Crestwood. **The approximate 7.9-mile route** features Crestwood Fire and Police vehicles escorting Santa through all four wards in Crestwood followed by an entourage of classic cars and decked out vehicles.

Connecting Crestwood businesses and area residents through the true spirit of Christmas year-round!
